### And What Have You

By BOB CRAIG

A new law, passed late in the last session of the state legislature and signed by the governor June 15, became law July 15. This new law is expected to create some new problems in the selection of people to serve on juries.

The new law, Senate Bill 369, provides that "Between the first and fifteenth days of August of each year, in each county in this state, the tax collector, sheriff, county clerk and district clerk, . . . shall meet at the county courthouse and reconstitute the jury wheel, using as the sole and mandatory source, all names on the voter registration lists from all precincts in the county."

This means, as we understand it, that only registered voters will be called for jury duty, and all voters must report for duty, even though they are not eligible to serve.

The law was written with the intent that it only apply to counties with over 10,000 population and that counties under 10,000 could continue to use the jury commission method as in the past. But somewhere along the line someone goofed up down at Austin — which seems to happen rather easily — and it now appears that all counties, regardless of size must use the jury wheel.

As I understand it, the new part of the law replaced all of the existing parts of the law that provided for the jury commission and the Attorney General has ruled that all counties must now use the jury wheel.

But the use of a jury wheel is not the part of the new law that will cause trouble — it is the other provisions that are expected to raise a storm of protest.

From what I have read on the new law it looks like the name of every registered voter will be put in the jury wheel whether they are exempt from jury duty or not and they will have to report for jury duty. The only ones that will have an automatic exemption, and they will have to report, are those over 65, under 21, females who have legal custody of a child or children under the age of ten.

Apparently there are no provisions in the new law to excuse anyone for sickness, vacations or other similar reasons that were valid in the past. Also it would appear that pressing business can no longer be used as an excuse.

One thing that will make it much harder to get an excuse for even an legitimate reason is that once excused, a person's name will be taken off the jury list and placed back in the jury wheel until drawn out again at some future date.

This means of course, that a judge will have to take a hard look at any excuses before granting it or else he will find that he might be without any jurors on the panel before the year is out.

It is doubtful at this time if anyone knows just how much, but it is obvious that the cost to the counties will be greatly increased under this new system. Much larger jury panels will have to be called because of the new process of excusing a juror from all cases if he is excused from any one case for any cause, and since many will be called who are unable to serve because of disqualification or exemption. Each of these jurors who reports will have to be paid whether or not he serves.

Among those who have been exempt from jury service in the past but now must report are ministers, school teachers, elected officials and others in similar occupations.

Wonder what happens if the judge's name is drawn?

**REVIVAL CAMPAIGN TEAM** — Members of the Clifford Mayo Revival Campaign team currently conducting an area-wide Crusade for Christ here are, from left, Mrs. Dick McAnally, organist; Carlton Wood, singer and choir director; Clifford Mayo, evangelist; Miss Ann Mayo, who plays bass; and Jerry Anderson, pianist. The revival with services at 10 a.m. weekdays in the high school cafeteria and services at 8 p.m. in the football stadium each evening will be concluded Sunday evening.

## PLUS LAND COSTS—

# Council Told New Sewer System to Cost \$145,000

The Hamlin City Council learned here Monday evening that a new sewer system to meet the State Health Department standards will cost an estimated \$145,000 for construction. The estimate was presented to the council by W. F. Decker of the Abilene firm of Yeatts and Decker, Inc.

The cost does not include the land needed for the project.

The plans call for converting the present system into what is commonly called a "race track" plant. Waste water would meet all state quality tests, and would be available for irrigation, and possibly would not be released into a stream as at present.

Decker pointed out to the council that Federal Grants are now available for 55 percent of the cost of construction, and the remainder of the cost must be provided by the City, with the State offering to purchase bonds for 25 percent of the total cost.

The council voted to authorize the Consulting Engineering firm to present the project to

the State Water Quality Control Board and to apply to the West Texas Council of Governments for the federal grant.

It is expected that in the near future the city will have to call a bond election to pay the city's share of the project's cost. If called, the bond issue would be a revenue bond issue with the recently raised sewer fees expected to meet the cost of retiring the bonds. The city's

## Wichita Falls Firm Gets Contract for New Fire Truck

The City of Hamlin has awarded a contract to Fire Department Appliance Co. of Wichita Falls for the construction of new fire truck for the Hamlin Fire Department. The firm's bid was for \$13,942.50.

Construction is to take no more than 150 days after the firm receives the truck chassis which is in Hamlin now and is expected to be delivered to Wichita Falls sometime this week.

The Wichita Falls firm was awarded the contract on the basis of recommendation from the Hamlin Volunteer Fire Department. Other bids submitted were: The Boardman Co., Oklahoma City, \$13,905; and Fire Control Engineering, Fort Worth, \$15,980.

The 2½ ton Ford cab and chassis was purchased earlier by the city from Connolly Ford Sales for a bid of \$5,995. The total cost of the new truck will be \$19,937.50.

## Annual Summer Band School Set To Start Aug. 10

Tim Jones, Hamlin Public School band director, has announced plans for the summer band school.

Marching rehearsal will begin at 8 a.m. Tuesday, Aug. 10, followed by brass and percussion section rehearsal at 9 a.m., reeds and woodwinds section rehearsal at 10 and full band rehearsal in the band hall at 11 a.m. This schedule will be followed for the first week.

The second week will begin on Aug. 16 with evening rehearsals beginning at 6 p.m. The evening rehearsals were set because of teachers' in-service training that week.

Drill instructors will be chosen at the first rehearsal.

share of the construction cost would be \$65,250.

It was estimated that the cost of land for the project might run as high as \$35,000. Decker told the council that it was his opinion that the federal grant might cover 55 percent of this cost too.

The report submitted by the engineering firm to the council stated that, "The method of treatment proposed will be entirely in accordance with Federal and State requirements for waste water treatment processes and will be completely free of objectionable odor. This method of treatment provides less operation and maintenance than other odor free types of treatment."

Also attending the council meeting was James E. Rodgers, local Certified Public Accountant, who presented the annual audit report for the city for the year ending April 30, 1971.

In his report, Rodgers pointed out to the council that the city had a total revenue income of \$360,834.10 and total expenditures of \$413,804.95. He noted that this was a loss of \$52,970.85 but that of this amount \$28,277.49 was depreciation or a bookkeeping figure and \$24,693.36 was payment of bank notes.

Jack Williamson, City attorney, told the council that it was his opinion that the Trailer House fee system ordinance that the council passed last month was unconstitutional and that the city would have to continue to tax trailers as personal or real property as they have in the past.

## Mrs. Jim Jones Named Harden Memorial Librarian

Mrs. Jim Jones has been named librarian of Harden Memorial Library by the executive board of the Woman's Forum.

Mrs. Jones, the former Linda Farmer, was graduated from High School here in 1962. She is the daughter of Mr. and Mrs. J. C. Farmer. Her husband is employed by Carlton Implement. They have one son, Kenneth, 7. The family moved here from Aspermont this weekend.

Mrs. Jones will operate the library on the regular schedule from 3:30 to 5:30 p.m. Mondays through Fridays.

# Crusade for Christ Now In Progress

A sacred music concert at 4 p.m. will be held downtown today (Thursday) in conjunction with the area-wide Crusade for Christ now underway under the guidance of the Clifford Mayo Revival Campaigns. Twice daily services will continue this week with the final service Sunday evening.

Services are being held at 10 a.m. in the high school cafeteria and at 8 p.m. in Piper Stadium, except in the case of rain when services are moved to the sanctuary of First

Baptist Church. The Monday and Tuesday evening services were held at the church.

Clifford Mayo, evangelist, is a native of Texas and has been conducting revival campaigns over most of the United States, Mexico, Africa, Jordan, Israel and Guatemala. He is a graduate of Texas Tech University, Lubbock, and Texas and Asbury Theological Seminary in Wilmore, Ky.

He is being assisted by Carlton Wood of Amarillo as director of music and soloist, Jerry Anderson, pianist, Ann Mayo, bass, both of Lubbock

and Mrs. Dick (Janell) McAnally, organist.

Wood, a native of New York, received a BS degree in music from Olivet Nazarene College in Kankakee, Ill., and a master's degree in music theory from West Texas State University in Canyon. He has been minister of music of the Amarillo First Church of the Nazarene and teacher of data processing at Amarillo Junior College for nine years. He has travelled with a male quartet throughout the midwestern states and has directed many church choirs. He has also been active in community music activities.

Anderson and Miss Mayo, daughter of the evangelist, are both sophomore students at Bethany Nazarene College, Oklahoma City, Okla.

Mrs. McAnally, wife of the pastor of the First Assembly of God Church here, joined the team for the Hamlin area-wide crusade, and is playing the organ. She attended Southwestern Assembly of God College in Waxahachie.

Mr. Mayo will be speaking at the First Baptist Church for the morning service Sunday, July 25.

## First Baptist Names Music, Education, Youth Minister

The First Baptist Church of Hamlin has called Lynn Mink of Waco as Minister of Music, Youth and Education, according to the Rev. Howard Jones, pastor.

He has served in a similar position with the North Waco Baptist Church in Waco for the past two years. Before that he was with Hilltop Baptist Church in Irving and the First Baptist Church in Edinburg.

He and his wife, Carol Joe, have a daughter, Sheri, and two sons, Terry and Gary. They plan to move to Hamlin Aug. 16 and begin their work here Aug. 18.

## Former Resident, Earl Smith, Named Bank President

A former Hamlin resident, Earl Smith, has been elevated to president of the First National Bank in Stamford. He moved to Stamford from Hamlin in November of 1960 and has served as vice president until being named president.

Smith replaces the late W.T. Stovall who died of a heart attack June 28.

Smith is a native of Hamlin and began his banking career here at the Farmers and Merchants National Bank in 1942. He took three years out for military duty with the Air Force. He is married to the former Craiglene Elmore of Hamlin.

The couple, members of First Baptist Church, have two children, a daughter, Mrs. Bob Johnson of Corpus Christi, and a son, George of Dallas.

## NOW MANDATORY—

# Most Horses In Area Have Been Vaccinated for VEE

Nearly all the horses in the Hamlin area should have received vaccine for Venezuelan Equine Encephalomyelitis (VEE) by today (Thursday), according to a local spokesman. About 75 percent of the horses in the area had received the vaccine over the weekend.

The West Texas Veterinary Supply Co. in Abilene received 1,700 VEE serum from Austin Saturday afternoon and another larger shipment was expected to arrive Wednesday. About 100 horses were vaccinated here Saturday evening upon the arrival of the serum by one area veterinarian.

It is estimated that there are about 300 horses in the Hamlin area.

The serum, used to combat the spread of VEE, must be carried to the horses. A statewide embargo prevents the animals from leaving the premises where they are stabled, even to visit the veterinarian for inoculation.

It was announced Sunday by State veterinarians from the Southwest that they will make mandatory vaccination of all horses in their respective areas. The decision was made at a Dallas meeting of animal health

officials from Texas, Oklahoma, Arkansas, New Mexico and Louisiana.

A USDA official said that 1.8 million doses of vaccine will be available by the end of the week for the approximately 1.5 million horses in the five states.

Horses that have been vaccinated must remain quarantined for 14 days following the shot before being moved.

The outbreak of VEE started in the Texas valley last week and has moved up the state, bringing on the five state effort to stop the disease in Texas and protect the other states.

The battle against the spread of VEE was being pressed on many fronts over the weekend as the disease killed horses and sent people to hospitals. It was reported Saturday that 48 persons have been taken to hospitals in the valley with VEE symptoms. Five of those have been confirmed as having the disease which strikes humans with flu-like symptoms for several days.

VEE is a rare strain of "sleeping sickness" which strikes the central nervous system of horses and is usually fatal in equine. It is much milder

in humans.

The disease has killed thousands of horses in South and Central America and Mexico since it was first detected in horses two years ago.

The vaccine being used in an effort to halt the spread of the disease was developed under the Defense Department's Germ Warfare program to protect humans.

The vaccine, regarded as experimental, is being supplied free by the federal government to veterinarians in Texas.

VEE is spread from horse to horse or horse to humans by mosquitoes and a large part of the fight to stop the disease is centered around the control of mosquitoes, particularly in the valley where Air Force planes are spraying large areas with malathion.

Besides creating a problem for cattlemen who need to use horses in working their cattle, the outbreak of VEE has cancelled rodeos and other horse related activities across the state.

The Hamlin Riding Club had made plans to hold a Little Britches Rodeo July 30 and 31 but have postponed it for the present.

MRS. OSCAR BURL SMITH III  
... formerly Dixie Kelley

## Kelley-Smith Vows Read In Hurst

Dixie Kelley of Bedford and Oscar Burl (Skip) Smith III of Fort Worth were married Saturday evening in Shady Oaks Baptist Church in Hurst.

Parents of the bride are Mr. and Mrs. Jack Kelley of Bedford, formerly of Hamlin. The bridegroom is the son of Mr. and Mrs. O.B. Smith Jr. of Fort Worth.

Cindy Kelley of Bedford, sister of the bride, was maid of honor. Bridesmaid was Janet Kelley of Flagstaff, Ariz., also sister of the bride. Lynn Everts of Houston was best man and Royce Colley of Fort Worth was groomsmen.

Ushers were Leroy Caldwell and Ray Smith, brother of the bridegroom, both of Fort Worth.

Presented in marriage by her father, the bride wore a formal gown of ivory satin which was made by the bridegroom's maternal grandmother for his mother's marriage. Made entirely by hand, the gown featured a short overskirt in the front of the fitted skirt that flared to a chapel train. The yoke and sleeves of fine lace were reembroidered with crystal beads and seed pearls. Her veil of illusion fell from a crown or orange blossoms

edged with pearls. She carried a cascade of pink roses and white carnations.

Attendants' empire gowns of pink satin were covered with pink organza skirts and a yoke of lace and featured long slightly puffed sleeves with wide lace covered cuff. Their headresses were of pink net, a Dior bow of net with circular veil. They carried nosegays of dark pink carnations.

The reception was held at the church. Serving were Lynn Benson of Flagstaff, Ariz., Wanda Wilkinson of Abilene and Renetta Davis of Fort Worth. After a week's trip to the Texas Coast, the couple will reside in Fort Worth where he is employed by Screw Anchor Co. and she is employed by SIC Finance. The bridegroom also attends Texas Western University.

The rehearsal dinner was held Friday evening in the home of the bridegroom's parents. Attending the wedding from Hamlin were the bride's grandparents, Mr. and Mrs. Bill Kelley, and two uncles and their families, Mr. and Mrs. Mike Kelley and children and Mr. and Mrs. Parker Kelley and children.

## Rites Saturday For Taylor, Joiner

Wedding vows were solemnized in the Cedar Hill Assembly of God Church for Shelia Gayle Taylor and Charles Lawrence Joiner Saturday evening at 7:30 in a double ring ceremony. Rev. James Jones, pastor, officiated.

Parents of the bride are Mr. and Mrs. Junior Taylor of Lockney. The bridegroom is the son of former Hamlin residents, Mr. and Mrs. L. A. Joiner of Odessa, and grandson of Elmer Joiner and Mr. and Mrs. C. W. Durham, all of Hamlin.

Presented in marriage by her father, the bride wore a floor length gown of organza fashioned with an empire waist, high neckline and long slightly puffed sleeves. White lace entwined with baby blue ribbon encircled the neck and empire line and flowed down the front of the A-line skirt. Her floor length veil of illusion was also edged in lace entwined with blue ribbon and was caught at the crown with a small bow trimmed tiara. She carried a bouquet of white mums centered with white rosebuds.

Donna Woolsey of Floydada was maid of honor. Cheryl Lynch of Pampa and Mona Keeter of Plainview were bridesmaids. They wore street length dresses of light blue dacron crepe and carried nosegays of mums. Susan Joiner, sister of the bridegroom, was flower girl. Bud Taylor, brother of the bride, was ringbearer.

Larry McCoy of Hamlin,

cousin of the bridegroom, was best man. Groomsmen were Ronnie Alvey of Irving and Rick Vaughn of Clovis, N. Mex.

The reception was held in the home of the bride's parents. The couple will make their home at 511 West Sixth, Apt. 208, in Irving where he is employed by Texas Gypsum.

Attending the wedding from Hamlin were Mr. and Mrs. J. E. McCoy Jr., Mr. and Mrs. W. W. Goodwin, and the grandparents.

### Coke Party Honors Mrs. Robinson

Mrs. Lea Robinson of Wichita Falls was honored with a Coke party last Wednesday afternoon in the home of a friend and former Wichita Falls resident, Mrs. Frank Steinman.

Guests included Mmes. L. O. Hughes, Frank Stivison, Floyd Hallmark, Ray Edmiston and Andy Bundas.

### It's A Boy

Mr. and Mrs. John Dominey of Stamford are parents of a son, Shawn Eric, 6 lbs. 15½ oz., born July 16; at 4:36 a.m. in Hamlin Memorial Hospital. Paternal grandparents are Mr. and Mrs. Bill Dominey and maternal grandparents are Mr. and Mrs. Wallace Ely, all of Hamlin.

## Former Resident Wed In Lubbock

LUBBOCK — Julie Jo Sedberry and Roger Dan Gillespie were married at 7:30 p.m. Saturday in St. Luke's United Methodist Church in Lubbock with Cline R. Paden, director of the Sunset School of Preaching, officiating.

The bride is the daughter of Mr. and Mrs. James Sedberry of Lubbock, former Hamlin residents, and granddaughter of Mr. and Mrs. Jimmy Sedberry of Hamlin.

The bridegroom is the son of Mr. and Mrs. E. L. Gillespie of Lubbock.

Given in marriage by her father, the bride wore a formal gown of candlelight organza, designed with highrise waistline, duchess collar and full bishop sleeves. Guipure lace accented the gown.

Attendants were LuLu Kimmell, maid of honor, Jayme Sedberry, sister of the bride, Brenda Turner, both bridesmaids, and Mrs. Joe Bollinger, bridesmatron.

Their Bavarian style formal gowns were of maize and candlelight chiffon were designed with long, bishop sleeves.

Stewart Gillespie, brother of the bridegroom, was best man. Groomsmen were Mike Archer of Bayton, Joe Bollinger and Danny Daniel.

Guests were seated by Jeff Sedberry, brother of the bride; Dennis Davenport of Laurens, S. C., Matt Baker of Baytown, Mike Haney, Bobby Mitchell and Don Spencer, both of Austin.

The reception followed in the church parlor.

After a wedding trip to El Paso, the couple will be at home in Austin where is a pre-med major at the University of Texas at Austin and is employed by the Texas State Department of Health.

The bride is a 1970 graduate of Coronado High School and attended Southwest Texas University in San Marcos.

Guests from Hamlin were Mr. and Mrs. Sedberry and Mrs. Art Newcomb. They were accompanied by an aunt of the bride, Mrs. I. L. Hale of Brenham.

### Paula Becker, Larry Butler Set August Wedding

Mr. and Mrs. Paul F. Becker Jr. of Pecos have announced the engagement and approaching marriage of their daughter, Paula Faye, to Larry Gene Butler, son of Mr. and Mrs. C. E. Butler of Hamlin.

The couple will be married Aug. 20 in the home of the bride-elect's parents, 2102 Wyoming Street in Pecos.

Miss Becker will be graduating from Sul Ross State University Aug. 13 with a bachelor of science degree in elementary education. She is a member of Phi Mu fraternity and was on the dean's list. She is currently employed in the Physical Education Department at Sul Ross.

Butler is a graduate of McMurry College in Abilene with a BS degree in education. He was a member of IHR Club at McMurry. He coached and taught at Hamlin High School for a year and a half and now is a graduate assistant in the Athletic Department at Sul Ross while working on his master's degree.

### Waggoner Family Reunion Held Here

Descendants of the late Mr. and Mrs. Jesse Waggoner of Vernon met for a family reunion here July 10-11 in the home of Mr. and Mrs. Garnet Waggoner and family on the Y-6 Ranch.

FROM THE FILES . . .

FORTY FIVE YEARS AGO  
(July 16, 1926)

The residence building is still going right on in Hamlin. We have reached the stage in the history of our city when there is a great pride in the homemaking and civic attractiveness.

This week we observe that there are a number of new foundations laid for new homes. Two of these are on the lots that are known to old timers as the Bailey home, just west of the Park block. The old Bailey home has been dismantled and two pretty new bungalows will grace that location. One will be built by Mrs. J. C. Green and the other by her son, John Green.

In the central Avenue Addition, we see that Will Parker is adding a great deal to his residence. In fact, the addition will be bigger than his present home.

The ladies of the Methodist Church of Neinda will serve ice cream and cake at the church Friday night. The proceeds will go to the Orphans Home at Waco. This is a good opportunity to enjoy the evening and at this same time help those who need help.

Yes, sir! if you will go to the Vaughn's building on Election day, July 23, you will find a good old chicken dinner. The dinner will be served by the Members of the Maurice Smith Missionary Society and will be served Cafeteria style.

Now people, for 50 cents you will get a fine dinner and just watch that money help to build the new Methodist Church.

Hamlin business houses have been subscribing to the fund to receive the telegraphic reports on election nights and will likely do this again this year. If they do, we will have to pay \$25 for the service, according to the advice from the Texas Election Bureau. That would mean the first message would arrive here about seven o'clock p.m. and one every fifteen minutes till 9 p.m., then one every thirty minutes till 11 p.m., then probably an occasional bulletin from larger counties.

TWENTY YEARS AGO  
(July 20, 1951)

The Lakeview Golf Club tournament began to take definite shape in matches played over the week and a club champion should be determined before another week has passed.

Joe League assumed a commanding position in the fourth flight as Cotton Bell and Benny Ford were defeated in matches this week. League has shown a marked improvement in his game during the playing of the tournament and he is the favorite to cop the title in that decision.

John F. Green, Jr., has come up with some sensational play in the third flight and a match is pending between Green and Ted or Teddy Russell to determine the champion in that flight.

Improvement in his game has led to

the selection of Green as the favorite to annex championship honors when the smoke of battle clears. He was established with a handicap of 46 and has been shooting far below that score in his matches thus far. If he defeats his next opponent, he will go into the semi-finals with a three to six point handicap against the winner in the second flight. Belief is that he could win without the handicap. Winner of the first flight will play fourth flight winner and will be giving away from 12 to 14 strokes on each nine holes, which is an overwhelming obstacle.

Seven members of Hamlin's Boy Scout Troop 43 were taken by Scoutmaster Jerry Waggoner to a Northern District swim meet in Stamford Tuesday and were winners of second place in the competition that followed.

Members of the team taken to Stamford included nine members.

TEN YEARS AGO  
(July 13, 1961)

Approximately 57 girls are attending the Day Camp for Blue Bird and Camp Fire Girls at the City Park this week.

With 23 adult counselors and 14 junior counselors, the girls are having courses in handicrafts, outdoor crafts, music games, sports and swimming instructions.

A closing program will be held at the park Friday at 7:30 p.m. for the parents. Refreshments will be served.

Joe Hudspeth's of Hamlin will give away a whole hog to the one who guesses its weight the closest during his hog wild sale that is now in progress. The sale continues through July 31.

The hog is in a feezeer in the store and those desiring to guess the weight are urged to go by and fill out a card with your guess.

The first Home Demonstration Club Rally Day ever to be held in Hamlin will open with registration at 10 a.m. Friday at the Mid West Oil Mill Guest House.

A day of recreation and fellowship, as well as an interesting and informative program, has been planned for ladies of all HD clubs in Jones County.

Included on the program will be a Cancer film and a display and discussion on Texas Gulf Shells, to be presented by Carl Young Jr. The ladies will also have craft displays.

The noon meal will be sack lunches and the meeting will adjourn at 3:30 p.m.

There will be a doubleheader played at the Pony League Park at 1:30 p.m. Sunday, between the Hamlin Semi-Pro baseball team and the Abilene Independents.

The Hamlin team is having some hard work outs in the preparation for the Baseball Congress Tournament in Lubbock, July 24, according to Bill Adair, manager.

The Red Cross drive ended in Hamlin, June 30, with receipts so far totaling less than was expected.

DOING A . . .

MAN SIZED JOB

Heat . . . sweat . . . fatigue . . . blisters . . . aches . . . Dad says its all a part of "carrying my share of the load." He also says that, "it's important that I help make provisions for the present and near future." But he says "that it is even more important because I am preparing for the days ahead when I am a full grown man." Sometimes I think that my Dad has the wisdom of Solomon, that's this king that I learned about at church . . . and that's another thing that Dad says is important . . . "that I go to church regularly, so that I can learn about God, and prepare my spiritual life for the future, too." You know . . . Dad must think it's important . . . He goes to church, too.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

NEWS FROM . . .

# Sylvester

By MRS R M BABB

Would you believe there are a few clouds in the sky and how we are hoping for RAIN!

We have been asked to let everyone know that each first and third Tuesday nights at eight o'clock there will be a community singing at the Methodist Church and everyone is urged to attend.

Mr. and Mrs. M. D. Brown and the Richard Greens attended a reunion recently near the city of Comanche.

We are sorry to learn that the Chubby Browns are moving to Hamlin in the very near future. They have already sold their home here. We will miss them very much.

Melissa Hardwick of Abilene visited during the week and then over the weekend with her parents, the Chub Hardwicks.

We are happy to learn that last week Vanessa Hardwick had won a blue ribbon on the dress she had made during the summer for her 4-H project.

Master Landy Perkins of Lubbock is spending some time here with his grandmother, Mrs. Carra Perkins.

Hey! Have you seen that pretty new pickup the Woodrow Lawlises are driving?

Friends here for the funeral of Ethel Bovien on Sunday afternoon July 18 were Mr. and Mrs. Clayton Carroll of Abilene, Mr. and Mrs. Tommy Hood and Mr. and Mrs. William Stevens of Odessa. Ethel will be missed very much.

The Mike Dobbs family of Big Spring along with the Woodrow Lawlis family attended the Lawlis Reunion Sunday.

Gerry Prather and children of Sweetwater drove over and spent the afternoon in the W.B. Brown home.

Mr. and Mrs. Max Deel and family of Levelland drove down Sunday afternoon to visit in the Buford Brown home. They later went to Sweetwater for a short visit before going on to L.B.J. Lake for a fishing trip.

The Waldo Gatewood family visited in Dallas last week for a couple of days.

The Tommy Wilson family of Meadow visited with her mother, Mrs. Gladys Williams, last week.

Mrs. Jerry Kiser and children of Abilene have spent most of last week in the Roy Kiser home.

Visiting in the Med Herron home are the Morton children of Dublin.

The Raymond Griffin home was the setting for the marriage

of their daughter, Jackie Stephenson to Charles Mann of Sweetwater. Rev. Buster Grigg of Sylvester Baptist Church read the ceremony before only family of the couple. Reception followed in the Griffin home. The couple are not sure of their future home as he is in the U.S. Army.

Randall Kelly and Peggy Sellers were united in marriage Friday night in Dumas and will make their home here in Sylvester.

We want to wish each of these couples all the happiness that I am sure they will have.

The Buster Grigg family visited in Monahans and other cities to the west of us Thursday through Saturday of last week.

Mr. W. O. Reeves has been visiting in El Paso with relatives for a couple of weeks.

I guess we wished hard enough, it has rained at this time .35 in. of rain but guess we had better keep wishing.

The Trinidad Garcia house looks real nice with the new siding and new windows.

## Graveside Rites Held Here for Fred C. Taylor

Graveside rites were held here at 10 a.m. Friday in Hamlin East Cemetery for Fred C. Taylor, 88, who died at 6:55 a.m. Wednesday at a Fort Worth hospital.

The Rev. Howard Jones, pastor of First Baptist Church, officiated.

Mr. Taylor was born Aug. 6, 1882, in Breckenridge.

Survivors include one son, John of Dallas; two daughters, Mrs. H. E. Walling and Mrs. C. T. Pippin, both of Fort Worth; one brother, A.B. Taylor of California; two sisters, Mrs. Pearl Vick of Fort Worth and Mrs. Bell McBride of Lamesa; seven grandchildren; and nine great-grandchildren.

Mr. and Mrs. Alfonso F. Soliz of Rotan are parents of a boy, Jaime, born July 16 at 2:05 p.m. He weighed 7 lbs. 10½ oz.

Mr. and Mrs. John S. Ledesma are parents of a girl, Margarita, 7 lbs. 1 oz., born July 19 at 12:20 p.m.

News deadline is noon Tuesday. Tuesday evening events by 10 p.m. Tuesday or 8:30 a.m. Wednesday.

## Lou Ann Hawkins On Honor Roll

DENTON — Names of students at the Texas Woman's University who achieved high scholastic averages during the spring semester have been announced by Dr. Leslie R. Kreps, vice president for academic affairs.

Students earning a 3.0 average are on the all "A" list. Those earning 2.3 or better average are placed on the Special Honor Roll.

The list included Lou Ann Hawkins of 1101 W. Lake Dr., Hamlin.

Miss Hawkins, a sophomore Nursing major, was named on the all "A" list.

## WTU Adds Fourth Generating Unit At Paint Creek

West Texas Utilities Company's system generating capability was increased 110,000 kilowatts last week when the number four generating unit at Paint Creek Power Station at Lake Stamford was placed in commercial operation.

The announcement was made by WTU Vice President and Chief Engineer John A. Hutchinson.

The increase in the capability of the Paint Creek Plant gives it a total capability of 236,000 kw, making it the largest generating station in the West Texas Utilities Company system.

According to Roff Hardy, WTU president, this increase brings total system capability to 718,500 kw, or an increase of 33 percent over the last five years. Hardy also pointed out that site preparation for the new Lake Ft. Phantom Power Station at Abilene is now underway. The first unit at the new plant is scheduled for completion in 1974.

The addition of the number four unit at Paint Creek began in 1969. The new General Electric conventional reheat turbine generating unit is housed in a two-story, 20,000 square foot, addition to the plant. The initial boil-out of the Riley Stoker boiler was made early in March and the test runs on the new equipment were recently completed.

## THE FAMILY LAWYER

### Double Indemnity

Harvey, the "other man" in a domestic triangle, heard some alarming news: the woman's husband had bought a gun and was spoiling for trouble. No coward, Harvey decided to confront his rival face-to-face.

It was a fatal mistake. Words led to bullets and Harvey was shot dead.

In due course, his relatives tried to collect on his \$10,000 life insurance policy. They claimed not only the \$10,000 but also an extra \$10,000 as "double indemnity," payable in case of accidental death.

However, a court denied the extra \$10,000, saying Harvey's death was not really an accident at all. The court said he was well aware, when he sought out the angry husband, that he had an excellent chance of being killed.

Double indemnity for accidental death is a common feature in life insurance policies. But it is not payable if the victim had recklessly courted danger.

This is true even if what he did was simply in the name of fun. Thus, double indemnity was denied to the family of a young man slain in a game of "William Tell." In a spirit of playfulness, he had allowed a friend to shoot at a tin can on top of his head.

"One who volunteers his head for such an experience," said the judge, "must anticipate injury." Suppose the act was dangerous, but the danger was not apparent at the time. Then, as a rule, the death would still be considered accidental. For example:

A motorist skidded into a ditch. While waiting for a tow truck, he ran the motor to keep his heater going. What he failed to realize was that the end of the exhaust pipe was trapped in a mud puddle, causing deadly carbon monoxide gas to seep into the car. Result: he was dead by

## OUTDOORS IN TEXAS

BY VERN SANFORD

In this era of booming outdoors adventures, newspapers—weeklies as well as dailies—seek good photographs of their readers and their outstanding catches. Editors are just as anxious as the hunters or fishermen to see these pictures printed.

Unfortunately, a goodly number of such photos, often taken of truly outstanding fish or game, are rejected. In most instances rejection was due to the poor quality of the pictures.

Most newspapers prefer photos taken by their own staff photographers. But fishing and hunting are sports of unusual hours, to say the least, so staff photos are impractical. Outdoorsmen, proud of their trophy fish and game, usually have a buddy take a pix of them or have a commercial photographer do the job.

Problem with many commercial photographers is that they usually don't have prints ready for a week, perhaps even longer, unless a premium fee is paid. Unfortunately, the news value of a picture lessens with the passage of each day.

The buddy-snapped photo, rushed to the corner drug store, can be back in your hands in 24 to 36 hours. This is not enough time loss to kill the news value of the picture. Even so, the photo may still be rejected.

the time the tow truck arrived.

Was this accidental? Yes, ruled a court, awarding double indemnity to the victim's family. The court said his conduct could fairly be judged only by what he knew at the time, not by the wisdom of hindsight.

HAD A PARTY? That's news, call the HERALD.

Mr. and Mrs. Daniel Schuette, Danna and Britt of San Angelo visited her parents, Mr. and Mrs. Bill Dominey over the weekend. Also visiting in the Dominey home was a son, Rodney Dominey of Lubbock.

Visiting in the home of Mrs. David Andrews and Joe over the weekend were her sons and their families, WO2 and Mrs. Eddie Andrews, Natalie and David of Abilene and Mr. and Mrs. D. C. Andrews and Kay of Everman.

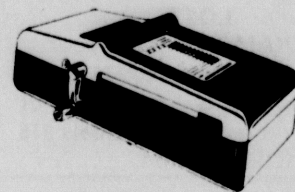

Texas has taken the first steps toward a \$12 million updating of law enforcement communications system.

House General Investigating Committee sent out questionnaires to state representatives asking information on stock scandals — and included questions on whether the press had been "biased" in reporting news.

Revenue from cigarette smoking jumped \$3.2 million — to \$18.9 million from June 1970 to June 1971.

## McCaulley Baptist Church to Open Revival Sunday

The McCaulley Baptist Church will open revival services Sunday morning with services to run through Sunday, Aug. 1. Regular Sunday services will be held at 10 a.m. and 7 p.m. with weekday services at 8 p.m.

The Rev. T. O. Upshaw, Superintendent of Missions since January, 1970, will lead the services. Randy Wakefield, a student at Hardin-Simmons University will be in charge of the music.

The Rev. Upshaw, a native of Rotan, is a graduate of Hardin-Simmons University and Southwestern Baptist Theological Seminary and has pastored churches at Rotan, Lefors, and Pampa. Wakefield will graduate from H-SU this summer.

The Rev. Vergil Smith, pastor, has extended an invitation to everyone to attend the services.

Mrs. Valeta Hartley and Thomas visited in North Little Rock, Ark., with her brother, Wilson Crow and family. In Fayetteville, Ark., they visited Mr. and Mrs. Warren Tippin and family. Other places visited were Pea Ridge Battleground, Eureka Springs, Beaver Lake, Civil War Cave and Bella Vista Village. They also visited relatives in Aurora, Crane and Ava, Mo.

## Federal Emergency Drouth Help Guides Available Now

What kinds of federal assistance are available to farmers, ranchers, farm workers, small business men, and others hit by the severe drouth in parts of Texas, Oklahoma and New Mexico? Answers, in general terms, have been consolidated in a 16-page pamphlet prepared in English and Spanish by the President's Interagency Drouth Help Available, with separate versions for each state.

Copies of the pamphlet are available at county offices that handle U.S.S. Department of Agriculture drouth assistance programs and information, including County Extension Agent, Agricultural Stabilization and Conservation Service (ASCS), Farmers Home Administration (FHA), and Soil Conservation Service (SCS). State and regional offices of Small Business Administration, Internal Revenue Service and Department of Labor also have copies for individuals who ask for it.

"Information on federal assistance in the pamphlet has to be general because all programs are not effective in all counties of the state," points out George Hastings, chairman of the Interagency Drouth Committee.

Specific types of assistance have to be requested, county by county, depending on need, Hastings said.

## Foursquare Church To Open Children's Revival Sunday

The Foursquare Church will begin a Children's Revival Sunday morning that will continue through Thursday under the direction of Rev. and Mrs. Mike Burnett of Arlington. He is youth director and Mrs. Burnett is children's director of South Central District Foursquare Churches.

No service is planned Sunday evening because of the closing service of the area-wide revival.

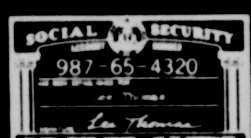

Services will be at 7:30 p.m. Monday through Thursday.

"Mrs. Burnett is doing an outstanding work with the children throughout our district," says the local pastor, Rev. Carl Pool.

Children all ages have a special invitation to attend.

Rev. Pool urges the parents to cooperate in this special revival.

## Questions and Answers

**Q.** My 67-year-old husband recently had surgery for a slipped disc. He will soon be able to come home, but the doctor says he will need to use a wheelchair. Will Medicare help pay for a wheelchair?

**A.** Yes. The medical insurance part of Medicare does help pay for the rental or purchase of such durable medical equipment as a wheelchair when the equipment is prescribed by a doctor. Whether your husband decides to purchase or rent the equipment, Medicare generally makes monthly payments and these payments are 80 percent of the reasonable rental charges.

**Q.** My mother, who lives in another State, was hospitalized while visiting me. Will Medicare help pay for the ambulance service needed to take her over 100

miles back to her own home?

**A.** No. Your mother's medical insurance can only help pay for ambulance service within the locality normally served by the hospital.

**Q.** I have been getting monthly social security disability benefits for the past 2 years. A friend of mine has offered me a part-time job. I am not sure I could do this type of work, but I would like to try it. Would I lose my disability benefits if I take it?

**A.** No. Under the social security law, disability beneficiaries who work despite severe handicaps can continue to be paid their monthly benefits while they are testing their ability to work. However, if you should start to work, be sure to notify your social security office.

# County Officials Make Plans to Operate Jury Wheel

Jones County is making plans to put into operation a jury wheel to select venires for both district and county court juries, a check at the courthouse Monday revealed.

A law adopted by the Texas Legislature this year repeals all laws regulating the formulation of jury commissions. This county had picked venires from a list of prospects selected by a jury commission.

W. L. (Poochey) McDonald, district clerk, said Judge J. Neil Daniel said in Anson Thursday that no cases will be tried in his court after August unless juries are selected by the jury wheel.

Although the bill did not set out to eliminate jury commissions anywhere except in counties having population of 10,000 or more, Atty. Gen. Crawford Martin issued a legal opinion July 14 in which he held that all counties must comply with the new law because all laws pertaining to jury commissions had been wiped off the books.

Jones County has a population of 16,106.

The law sets out that the sheriff, district clerk, county

clerk and tax collector shall get together sometime each year between August 1 and 15 and prepare the wheel.

In this wheel, which will be somewhat like those in use for

community drawings, will be placed the names of all qualified voters in the county, including those who are between the ages of 18 and 21.

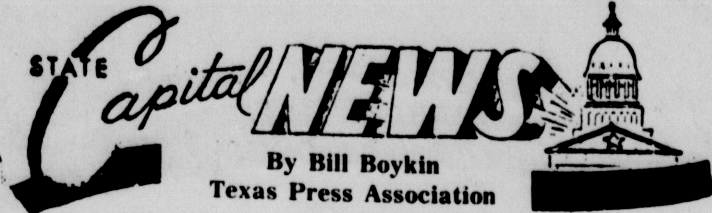

Unlike the usual container for

drawings, the jury wheel must be of solid exterior and must have two locks with the sheriff having one key and the district clerk the other.

Cards placed in the wheel are to be of uniform size and color. The wheel is to be turned so that the cards are thoroughly mixed before the venire is selected.

After the cards are selected, the jury list is prepared and the prospective jurors are notified as in the past.

Those who are exempt from serving on juries have been greatly reduced by the law.

AUSTIN. — Back-to-school time isn't too far off for more than two million young Texans, and State Board of Education has approved a record \$302.4 million statewide available school fund allotment.

Board set \$121.90 as the state allocation for each pupil in public schools this year. Figure is based on the average daily attendance during 1970-71, or 2,479,400, although actual enrollment was over 2.7 million.

Local school districts may use their allocation to help pay annual operating expenses, including teacher salaries. Available school fund draws investment earnings from the \$835 million permanent school fund.

In other preparations for the upcoming school year, Board of Education also:

Approved an \$887,500 contract with Southwest Educational Development Laboratory for a bilingual teaching program tailored for four-year-old children of Mexican-American farm workers. Ten bilingual specialists will work with 100 youngsters in McAllen and

Hereford to develop an experimental project next school year and field test it in 1972-73.

Approved a new accreditation plan to provide computer data to warn of developing weak points in school systems. Data will provide scientific analysis of information needed to decide which schools should be visited by accreditation teams. Such teams visit about 200 of more than 1,100 Texas school districts each year.

Entered an agreement to link Texas Education Agency and U.S. Office of Education in a \$1.8 million program to evaluate new special education pilot projects expected to have national impact on the teaching of handicapped children.

Allocated \$23.2 million to buy new textbooks.

DISEASE SPREADS — A sleeping sickness-like disease

spread among horses (and in a few humans) in the South Texas-Rio Grande Valley area.

U.S. Agriculture Department which originally had scheduled an experimental vaccine against Venezuelan Equine Encephalomyelitis in 13 counties, later released it statewide and slapped an embargo on Texas horses.

Later a state animal Health Commission order halted movement within state or out of state of horses not vaccinated at least 14 days earlier.

Several persons were hospitalized in Brownsville with VEE symptoms. Cases in horses increased sharply, though laboratory confirmation lagged behind discovery of symptoms.

Disease, described as "flu-like" among humans, is deadly to horses, and concern was expressed for the equine population. Emergency situation stopped all rodeos, horse shows, race meets and other activities involving horses.

TEXTBOOKS AVAILABLE FOR REVIEW — Textbooks considered for 1972-73 school adoption can be looked over by interested citizens at 20 regional education service centers over the state.

Texas Education Agency, the largest single buyer of textbooks in the world, has \$23.2 million available for the next school year. New books cost an average \$8.10 for each of 2.7 million pupils. Proposed new textbooks can be reviewed at Edinburg, Corpus Christi, Victoria, Houston, Beaumont, Huntsville, Kilgore, Mount Pleasant, Wichita Falls, Richardson, Fort Worth, Waco, Austin, Abilene, San Angelo, Amarillo, Lubbock, Midland, El Paso and San Antonio education service centers.

1.5 MILLION NEW VOTERS? — Texas may have 1.5 million new voters in 1972 largely as a result of 18-21-year-olds becoming eligible for all elections, according to a state senator's forecast.

New law goes into effect September 1 which permits registration of a Texas voter for a three year period instead of annually as at present. Registration will also be open year-around except for a 30-day cutoff before any election.

Dallas Sen. Mike McKool, author of the new registration law, sees youngsters as accounting for a large part of the 1.5 million increase in eligibility rolls and predicts they will vote as well as any age group.

PASS BIDS IN — A low bid of \$1.4 million on the long-delayed second phase construction of a water exchange pass across Mustang Island apparently was submitted by Brown and Root Construction Inc. of Houston.

PASS BIDS IN — A low bid of \$1.4 million on the long-delayed second phase construction of a water exchange pass across Mustang Island apparently was submitted by Brown and Root Construction Inc. of Houston. Brown and Root bid, including construction of a two-lane bridge across a 100-foot wide channel on Park Road 53, was the lowest of five opened last week by Parks and Wildlife Department. Bids were studied before a recommendation on letting the contract.

HUNTERS IRED — A state proposal to turn Canadian River bottom into a wildlife refuge stirred protests of hunters from the Panhandle at a hearing here.

Panhandle hunters wanted no part of the Parks and Wildlife Commission's closing state-owned river beds, streams and railroad rights of way to public hunting.

SHORT SNORTS Governor Smith, House Speaker Gus Mutscher and

JAY I. NAMAN Farmers Union President

## Farmers Union Members to Honor President At Anson

Texas Farmers Union state President Jay Naman of Waco announced today that he will attend a get-acquainted reception on July 30 from 8:00 a.m. to 9:15 a.m. at the 66 Sirloin Cafe in Anson. Those accompanying the state farm leader during his visit are Joe Rankin of Ralls, state vice president, Foy Mitchell of Roby, district director, and Kenneth Moss, state director of organization.

All farmers and ranchers in Jones County are invited. New Farmers Union members will be honored at this reception and are particularly urged to attend. Mr. Naman states that agricultural and business leaders in the community are welcomed to attend, as issues of vital interest to the community will be discussed.

John Scarborough of Hamlin requests that all members take advantage of the opportunity to acquaint their state Farmers Union leadership with local problems. New members of Jones County Farmers Union should make a special effort to attend, Mr. Scarborough said.

several others were questioned a second time by Securities and Exchange Commission in its stock probe.

Major Texas crude oil buyers recommended to the Railroad Commission a 30,344 barrel-daily decrease in production next month.

Under a new law motor boat owners must provide Coast Guard-approved life preservers for children 12 years old or under.

Traffic accidents killed 1653 Texans this year, compared with 1621 in 1970.

Hearing is set August 24 on request of Clear Lake Savings Association for a branch office charter in Houston.

Only those persons over 65 years of age and women who have legal custody of a child or children under the age of 10 years are now exempt. The law specifically eliminates any consideration of economic factors.

Judges in the past have been known to excuse a juror if he is busy putting in or gathering his

crop. Presumably this will no longer be permitted.

A big question still to be answered, either by Atty. Gen. Martin or the courts is that concerning 18-year-olds. What must be done with the card of a voter 18 year old? Texas constitution permits only those 21-years of age or over to serve on juries.

## Trial Set Sept. 7 In Anson Court for Billy Joe Jeffery

A Hamlin man, Billy Joe Jeffery, under indictment for rape and "burglary of a private residence at night with intent to commit rape" in connection with a June 5 assault on a Hamlin woman, will be tried in 104th District court at Anson Sept. 7.

Judge J. Neil Daniel set the date Thursday, July 8. Asst. Criminal District Attorney Britt Thurman filed notice that the state will seek the death penalty for Jeffery. The Hamlin man has been held in county jail without bond since his arrest.

Judge Daniel has appointed two Abilene attorneys, Randy Wilson and John Hutchinson III to represent Jeffery.

U.S. Sen. Lloyd Bentsen shies away from talk about his being a favorite son presidential candidate in 1972 and stresses need for Texas Democratic party harmony.

## NEWS AND VIEWS . . .

### And What Have You

By BOB CRAIG

A new law, passed late in the last session of the state legislature and signed by the governor June 15, became law July 15. This new law is expected to create some new problems in the selection of people to serve on juries.

The new law, Senate Bill 369, provides that "Between the first and fifteenth days of August of each year, in each county in this state, the tax collector, sheriff, county clerk and district clerk, . . . shall meet at the county courthouse and reconstitute the jury wheel, using as the sole and mandatory source, all names on the voter registration lists from all precincts in the county."

This means, as we understand it, that only registered voters will be called for jury duty, and all voters must report for duty, even though they are not eligible to serve.

The law was written with the intent that it only apply to counties with over 10,000 population and that counties under 10,000 could continue to use the jury commission method as in the past. But somewhere along the line someone goofed up down at Austin — which seems to happen rather easily — and it now appears that all counties, regardless of size must use the jury wheel.

As I understand it, the new part of the law replaced all of the existing parts of the law that provided for the jury commission and the Attorney General has ruled that all counties must now use the jury wheel.

But the use of a jury wheel is not the part of the new law that will cause trouble — it is the other provisions that are expected to raise a storm of protest.

From what I have read on the new law it looks like the name of every registered voter will be put in the jury wheel whether they are exempt from jury duty or not and they will have to report for jury duty. The only ones that will have an automatic exemption, and they will have to report, are those over 65, under 21, females who have legal custody of a child or children under the age of ten.

Apparently there are no provisions in the new law to excuse anyone for sickness, vacations or other similar reasons that were valid in the past. Also it would appear that pressing business can no longer be used as an excuse.

One thing that will make it much harder to get an excuse for even an legitimate reason is that once excused, a person's name will be taken off the jury list and placed back in the jury wheel until drawn out again at some future date.

This means of course, that a judge will have to take a hard look at any excuses before granting it or else he will find that he might be without any jurors on the panel before the year is out.

It is doubtful at this time if anyone knows just how much, but it is obvious that the cost to the counties will be greatly increased under this new system. Much larger jury panels will have to be called because of the new process of excusing a juror from all cases if he is excused from any one case for any cause, and since many will be called who are unable to serve because of disqualification or exemption. Each of these jurors who reports will have to be paid whether or not he serves.

Among those who have been exempt from jury service in the past but now must report are ministers, school teachers, elected officials and others in similar occupations.

Wonder what happens if the judge's name is drawn?

**REVIVAL CAMPAIGN TEAM** — Members of the Clifford Mayo Revival Campaign team currently conducting an area-wide Crusade for Christ here are, from left, Mrs. Dick McAnally, organist; Carlton Wood, singer and choir director; Clifford Mayo, evangelist; Miss Ann Mayo, who plays bass; and Jerry Anderson, pianist. The revival with services at 10 a.m. weekdays in the high school cafeteria and services at 8 p.m. in the football stadium each evening will be concluded Sunday evening.

## PLUS LAND COSTS—

# Council Told New Sewer System to Cost \$145,000

The Hamlin City Council learned here Monday evening that a new sewer system to meet the State Health Department standards will cost an estimated \$145,000 for construction. The estimate was presented to the council by W. F. Decker of the Abilene firm of Yeatts and Decker, Inc.

The cost does not include the land needed for the project.

The plans call for converting the present system into what is commonly called a "race track" plant. Waste water would meet all state quality tests, and would be available for irrigation, and possibly would not be released into a stream as at present.

Decker pointed out to the council that Federal Grants are now available for 55 percent of the cost of construction, and the remainder of the cost must be provided by the City, with the State offering to purchase bonds for 25 percent of the total cost.

The council voted to authorize the Consulting Engineering firm to present the project to

the State Water Quality Control Board and to apply to the West Texas Council of Governments for the federal grant.

It is expected that in the near future the city will have to call a bond election to pay the city's share of the project's cost. If called, the bond issue would be a revenue bond issue with the recently raised sewer fees expected to meet the cost of retiring the bonds. The city's

## Wichita Falls Firm Gets Contract for New Fire Truck

The City of Hamlin has awarded a contract to Fire Department Appliance Co. of Wichita Falls for the construction of new fire truck for the Hamlin Fire Department. The firm's bid was for \$13,942.50.

Construction is to take no more than 150 days after the firm receives the truck chassis which is in Hamlin now and is expected to be delivered to Wichita Falls sometime this week.

The Wichita Falls firm was awarded the contract on the basis of recommendation from the Hamlin Volunteer Fire Department. Other bids submitted were: The Boardman Co., Oklahoma City, \$13,905; and Fire Control Engineering, Fort Worth, \$15,980.

The 2 1/2 ton Ford cab and chassis was purchased earlier by the city from Connolly Ford Sales for a bid of \$5,995. The total cost of the new truck will be \$19,937.50.

## Annual Summer Band School Set To Start Aug. 10

Tim Jones, Hamlin Public School band director, has announced plans for the summer band school.

Marching rehearsals will begin at 8 a.m. Tuesday, Aug. 10, followed by brass and percussion section rehearsal at 9 a.m., reeds and woodwinds section rehearsal at 10 and full band rehearsal in the band hall at 11 a.m. This schedule will be followed for the first week.

The second week will begin on Aug. 16 with evening rehearsals beginning at 6 p.m. The evening rehearsals were set because of teachers' in-service training that week.

Drill instructors will be chosen at the first rehearsal.

share of the construction cost would be \$65,250.

It was estimated that the cost of land for the project might run as high as \$35,000. Decker told the council that it was his opinion that the federal grant might cover 55 percent of this cost too.

The report submitted by the engineering firm to the council stated that, "The method of treatment proposed will be entirely in accordance with Federal and State requirements for waste water treatment processes and will be completely free of objectionable odor. This method of treatment provides less operation and maintenance than other odor free types of treatment."

Also attending the council meeting was James E. Rodgers, local Certified Public Accountant, who presented the annual audit report for the city for the year ending April 30, 1971.

In his report, Rodgers pointed out to the council that the city had a total revenue income of \$360,834.10 and total expenditures of \$413,804.95. He noted that this was a loss of \$52,970.85 but that of this amount \$28,277.49 was depreciation or a bookkeeping figure and \$24,693.36 was payment of bank notes.

Jack Williamson, City attorney, told the council that it was his opinion that the Trailer House fee system ordinance that the council passed last month was unconstitutional and that the city would have to continue to tax trailers as personal or real property as they have in the past.

## Mrs. Jim Jones Named Harden Memorial Librarian

Mrs. Jim Jones has been named librarian of Harden Memorial Library by the executive board of the Woman's Forum.

Mrs. Jones, the former Linda Farmer, was graduated from High School here in 1962. She is the daughter of Mr. and Mrs. J. C. Farmer. Her husband is employed by Carlton Implement. They have one son, Kenneth, 7. The family moved here from Aspermont this weekend.

Mrs. Jones will operate the library on the regular schedule from 3:30 to 5:30 p.m. Mondays through Fridays.

# Crusade for Christ Now In Progress

A sacred music concert at 4 p.m. will be held downtown today (Thursday) in conjunction with the area-wide Crusade for Christ now underway under the guidance of the Clifford Mayo Revival Campaigns. Twice daily services will continue this week with the final service Sunday evening.

Services are being held at 10 a.m. in the high school cafeteria and at 8 p.m. in Piper Stadium, except in the case of rain when services are moved to the sanctuary of First

Baptist Church. The Monday and Tuesday evening services were held at the church.

Clifford Mayo, evangelist, is a native of Texas and has been conducting revival campaigns over most of the United States, Mexico, Africa, Jordan, Israel and Guatemala. He is a graduate of Texas Tech University, Lubbock, and Texas and Asbury Theological Seminary in Wilmore, Ky.

He is being assisted by Carlton Wood of Amarillo as director of music and soloist, Jerry Anderson, pianist, Ann Mayo, bass, both of Lubbock

and Mrs. Dick (Janell) McAnally, organist.

Wood, a native of New York, received a BS degree in music from Olivet Nazarene College in Kankakee, Ill., and a master's degree in music theory from West Texas State University in Canyon. He has been minister of music of the Amarillo First Church of the Nazarene and teacher of data processing at Amarillo Junior College for nine years. He has travelled with a male quartet throughout the midwestern states and has directed many church choirs. He has also been active in community music activities.

Anderson and Miss Mayo, daughter of the evangelist, are both sophomore students at Bethany Nazarene College, Oklahoma City, Okla.

Mrs. McAnally, wife of the pastor of the First Assembly of God Church here, joined the team for the Hamlin area-wide crusade, and is playing the organ. She attended Southwestern Assembly of God College in Waxahatchie.

Mr. Mayo will be speaking at the First Baptist Church for the morning service Sunday, July 25.

## Local All-Stars Down Merkel 4-3, To Meet Rotan

Hamlin Little League All-Stars defeated the Merkel All-Stars 4-3 at Rotan Monday evening and will meet Rotan in the second round of district playoffs. The game will be played in Rotan Friday at 8 p.m.

The All-Star team includes Charlie Collins, Kyle Jackson, Danny Johnston (alternate), Cardinals; Alan Steele, Paul Reynolds, Max Kemp, Braves; Allen Young, Billy Jordan, Ronnie Williams (alternate), Giants; Phil George, Kevin George, Tracy Asher, James Kemp, Jimmy Gipson, Tom Gonzalez and David Brown, Yankees.

## First Baptist Names Music, Education, Youth Minister

The First Baptist Church of Hamlin has called Lynn Mink of Waco as Minister of Music, Youth and Education, according to the Rev. Howard Jones, pastor.

He has served in a similar position with the North Waco Baptist Church in Waco for the past two years. Before that he was with Hilltop Baptist Church in Irving and the First Baptist Church in Edinburg.

He and his wife, Carol Joe, have a daughter, Sheri, and two sons, Terry and Gary. They plan to move to Hamlin Aug. 16 and begin their work here Aug. 18.

## Former Resident, Earl Smith, Named Bank President

A former Hamlin resident, Earl Smith, has been elevated to president of the First National Bank in Stamford. He moved to Stamford from Hamlin in November of 1960 and has served as vice president until being named president.

Smith replaces the late W.T. Stovall who died of a heart attack June 28. Smith is a native of Hamlin and began his banking career here at the Farmers and Merchants National Bank in 1942. He took three years out for military duty with the Air Force. He is married to the former Craigolene Elmore of Hamlin.

The couple, members of First Baptist Church, have two children, a daughter, Mrs. Bob Johnson of Corpus Christi, and a son, George of Dallas.

## NOW MANDATORY—

# Most Horses In Area Have Been Vaccinated for VEE

Nearly all the horses in the Hamlin area should have received vaccine for Venezuelan Equine Encephalomyelitis (VEE) by today (Thursday), according to a local spokesman. About 75 percent of the horses in the area had received the vaccine over the weekend.

The West Texas Veterinary Supply Co. in Abilene received 1,700 VEE serum from Austin Saturday afternoon and another larger shipment was expected to arrive Wednesday. About 100 horses were vaccinated here Saturday evening upon the arrival of the serum by one area veterinarian.

It is estimated that there are about 300 horses in the Hamlin area.

The serum, used to combat the spread of VEE, must be carried to the horses. A statewide embargo prevents the animals from leaving the premises where they are stabled, even to visit the veterinarian for inoculation.

It was announced Sunday by State veterinarians from the Southwest that they will make mandatory vaccination of all horses in their respective areas. The decision was made at a Dallas meeting of animal health

officials from Texas, Oklahoma, Arkansas, New Mexico and Louisiana.

A USDA official said that 1.8 million doses of vaccine will be available by the end of the week for the approximately 1.5 million horses in the five states.

Horses that have been vaccinated must remain quarantined for 14 days following the shot before being moved.

The outbreak of VEE started in the Texas valley last week and has moved up the state, bringing on the five state effort to stop the disease in Texas and protect the other states.

The battle against the spread of VEE was being pressed on many fronts over the weekend as the disease killed horses and sent people to hospitals.

It was reported Saturday that 48 persons have been taken to hospitals in the valley with VEE symptoms. Five of those have been confirmed as having the disease which strikes humans with flu-like symptoms for several days.

VEE is a rare strain of "sleeping sickness" which strikes the central nervous system of horses and is usually fatal in equine. It is much milder

in humans.

The disease has killed thousands of horses in South and Central America and Mexico since it was first detected in horses two years ago.

The vaccine being used in an effort to halt the spread of the disease was developed under the Defense Department's Germ Warfare program to protect humans.

The vaccine, regarded as experimental, is being supplied free by the federal government to veterinarians in Texas.

VEE is spread from horse to horse or horse to humans by mosquitoes and a large part of the fight to stop the disease is centered around the control of mosquitoes, particularly in the valley where Air Force planes are spraying large areas with malathion.

Besides creating a problem for cattlemen who need to use horses in working their cattle, the outbreak of VEE has cancelled rodeos and other horse related activities across the state.

The Hamlin Riding Club had made plans to hold a Little Britches Rodeo July 30 and 31 but have postponed it for the present.

## Kelley-Smith Vows Read In Hurst

Dixie Kelley of Bedford and Oscar Burl (Skip) Smith III of Fort Worth were married Saturday evening in Shady Oaks Baptist Church in Hurst.

Parents of the bride are Mr. and Mrs. Jack Kelley of Bedford, formerly of Hamlin. The bridegroom is the son of Mr. and Mrs. O. B. Smith Jr. of Fort Worth.

Cindy Kelley of Bedford, sister of the bride, was maid of honor. Bridesmaid was Janet Kelley of Flagstaff, Ariz., also sister of the bride. Lynn Everts of Houston was best man and Royce Colley of Fort Worth was groomsmen.

Ushers were Leroy Caldwell and Ray Smith, brother of the bridegroom, both of Fort Worth.

Presented in marriage by her father, the bride wore a formal gown of ivory satin which was made by the bridegroom's maternal grandmother for his mother's marriage. Made entirely by hand, the gown featured a short overskirt in the front of the fitted skirt that flared to a chapel train. The yoke and sleeves of fine lace were reembroidered with crystal beads and seed pearls. Her veil of illusion fell from a crown or orange blossoms

edged with pearls. She carried a cascade of pink roses and white carnations.

Attendants' empire gowns of pink satin were covered with pink organza skirts and a yoke of lace and featured long slightly puffed sleeves with wide lace covered cuff. Their headresses were of pink net, a Dior bow of net with circular veil. They carried nosegays of dark pink carnations.

The reception was held at the church. Serving were Lynn Benson of Flagstaff, Ariz., Wanda Wilkinson of Abilene and Renetta Davis of Fort Worth.

After a week's trip to the Texas Coast, the couple will reside in Fort Worth where he is employed by Screw Anchor Co. and she is employed by SIC Finance. The bridegroom also attends Texas Western University.

The rehearsal dinner was held Friday evening in the home of the bridegroom's parents.

Attending the wedding from Hamlin were the bride's grandparents, Mr. and Mrs. Bill Kelley, and two uncles and their families, Mr. and Mrs. Mike Kelley and children and Mr. and Mrs. Parker Kelley and children.

## Rites Saturday For Taylor, Joiner

Wedding vows were solemnized in the Cedar Hill Assembly of God Church for Shelia Gayle Taylor and Charles Lawrence Joiner Saturday evening at 7:30 in a double ring ceremony. Rev. James Jones, pastor, officiated.

Parents of the bride are Mr. and Mrs. Junior Taylor of Lockney. The bridegroom is the son of former Hamlin residents, Mr. and Mrs. L. A. Joiner of Odessa, and grandson of Elmer Joiner and Mr. and Mrs. C. W. Durham, all of Hamlin.

Presented in marriage by her father, the bride wore a floor length gown of organza fashioned with an empire waist, high neckline and long slightly puffed sleeves. White lace entwined with baby blue ribbon encircled the neck and empire line and flowed down the front of the A-line skirt. Her floor length veil of illusion was also edged in lace entwined with blue ribbon and was caught at the crown with a small bow trimmed tiara. She carried a bouquet of white mums centered with white rosebuds.

Donna Woolsey of Floydada was maid of honor. Cheryl Lynch of Pampa and Mona Keeter of Plainview were bridesmaids. They wore street length dresses of light blue dacron crepe and carried nosegays of mums. Susan Joiner, sister of the bridegroom, was flower girl. Bud Taylor, brother of the bride, was ringbearer.

Larry McCoy of Hamlin,

cousin of the bridegroom, was best man. Groomsmen were Ronnie Alvey of Irving and Rick Vaughn of Clovis, N. Mex.

The reception was held in the home of the bride's parents.

The couple will make their home at 511 West Sixth, Apt. 208, in Irving where he is employed by Texas Gypsum.

Attending the wedding from Hamlin were Mr. and Mrs. J. E. McCoy Jr., Mr. and Mrs. W. W. Goodwin, and the grandparents.

NEWS FROM . . .

# Sylvester

By MRS R M BABB

Would you believe there are a few clouds in the sky and how we are hoping for RAIN!

We have been asked to let everyone know that each first and third Tuesday nights at eight o'clock there will be a community singing at the Methodist Church and everyone is urged to attend.

Mr. and Mrs. M. D. Brown and the Richard Greens attended a reunion recently near the city of Comanche.

We are sorry to learn that the Chunky Browns are moving to Hamlin in the very near future. They have already sold their home here. We will miss them very much.

Melissa Hardwick of Abilene visited during the week and then over the weekend with her parents, the Chub Hardwicks.

We are happy to learn that last week Vanessa Hardwick had won a blue ribbon on the dress she had made during the summer for her 4-H project.

Master Landy Perkins of Lubbock is spending some time here with his grandmother, Mrs. Carra Perkins.

Hey! Have you seen that pretty new pickup the Woodrow Lawlises are driving?

Friends here for the funeral of Ethel Bovien on Sunday afternoon July 18 were Mr. and Mrs. Clayton Carroll of Abilene, Mr. and Mrs. Tommy Hood and Mr. and Mrs. William Stevens of Odessa. Ethel will be missed very much.

The Mike Dobbs family of Big Spring along with the Woodrow Lawlis family attended the Lawlis Reunion Sunday.

Gerry Prather and children of Sweetwater drove over and spent the afternoon in the W.B. Brown home.

Mr. and Mrs. Max Deel and family of Levelland drove down Sunday afternoon to visit in the Buford Brown home. They later went to Sweetwater for a short visit before going on to L.B.J. Lake for a fishing trip.

The Waldo Gatewood family visited in Dallas last week for a couple of days.

The Tommy Wilson family of Meadow visited with her mother, Mrs. Gladys Williams, last week.

Mrs. Jerry Kiser and children of Abilene have spent most of last week in the Roy Kiser home.

Visiting in the Med Herron home are the Morton children of Dublin.

The Raymond Griffin home was the setting for the marriage

of their daughter, Jackie Stephenson to Charles Mann of Sweetwater. Rev. Buster Grigg of Sylvester Baptist Church read the ceremony before only family of the couple. Reception followed in the Griffin home. The couple are not sure of their future home as he is in the U.S. Army.

Randall Kelly and Peggy Sellers were united in marriage Friday night in Dumas and will make their home here in Sylvester.

We want to wish each of these couples all the happiness that I am sure they will have.

The Buster Grigg family visited in Monahans and other cities to the west of us Thursday through Saturday of last week.

Mr. W. O. Reeves has been visiting in El Paso with relatives for a couple of weeks.

I guess we wished hard enough, it has rained at this time .35 in. of rain but guess we had better keep wishing.

The Trinidad Garcia house looks real nice with the new siding and new windows.

## Graveside Rites Held Here for Fred C. Taylor

Graveside rites were held here at 10 a.m. Friday in Hamlin East Cemetery for Fred C. Taylor, 88, who died at 6:55 a.m. Wednesday at a Fort Worth hospital.

The Rev. Howard Jones, pastor of First Baptist Church, officiated.

Mr. Taylor was born Aug. 6, 1882, in Breckenridge.

Survivors include one son, John of Dallas; two daughters, Mrs. H. E. Walling and Mrs. C. T. Pippin, both of Fort Worth; one brother, A.B. Taylor of California; two sisters, Mrs. Pearl Vick of Fort Worth and Mrs. Bell McBride of Lamesa; seven grandchildren; and nine great-grandchildren.

Mr. and Mrs. Alfonso F. Soliz of Rotan are parents of a boy, Jaime, born July 16 at 2:05 p.m. He weighed 7 lbs. 10½ oz.

Mr. and Mrs. John S. Ledesma are parents of a girl, Margarita, 7 lbs. 1 oz., born July 19 at 12:20 p.m.

News deadline is noon Tuesday. Tuesday evening events by 10 p.m. Tuesday or 8:30 a.m. Wednesday.

## Lou Ann Hawkins On Honor Roll

DENTON — Names of students at the Texas Woman's University who achieved high scholastic averages during the spring semester have been announced by Dr. Leslie R. Kreps, vice president for academic affairs.

Students earning a 3.0 average are on the all "A" list. Those earning 2.3 or better average are placed on the Special Honor Roll.

The list included Lou Ann Hawkins of 1101 W. Lake Dr., Hamlin.

Miss Hawkins, a sophomore Nursing major, was named on the all "A" list.

## WTU Adds Fourth Generating Unit At Paint Creek

West Texas Utilities Company's system generating capability was increased 110,000 kilowatts last week when the number four generating unit at Paint Creek Power Station at Lake Stamford was placed in commercial operation.

The announcement was made by WTU Vice President and Chief Engineer John A. Hutchison.

The increase in the capability of the Paint Creek Plant gives it a total capability of 236,000 kw, making it the largest generating station in the West Texas Utilities Company system.

According to Roff Hardy, WTU president, this increase brings total system capability to 718,500 kw, or an increase of 33 percent over the last five years. Hardy also pointed out that site preparation for the new Lake Ft. Phantom Power Station at Abilene is now underway. The first unit at the new plant is scheduled for completion in 1974.

The addition of the number four unit at Paint Creek began in 1969. The new General Electric conventional reheat turbine generating unit is housed in a two-story, 20,000 square foot, addition to the plant. The initial oil-out of the Riley Stoker boiler was made early in March and the test runs on the new equipment were recently completed.

# OUTDOORS IN TEXAS

BY VERN SANFORD

In this era of booming outdoors adventures, newspapers—weeklies as well as dailies—seek good photographs of their readers and their outstanding catches. Editors are just as anxious as the hunters or fishermen to see these pictures printed.

Unfortunately, a goodly number of such photos, often taken of truly outstanding fish or game, are rejected. In most instances rejection was due to the poor quality of the pictures.

Most newspapers prefer photos taken by their own staff photographers. But fishing and hunting are sports of unusual hours, to say the least, so staff photos are impractical. Outdoorsmen, proud of their trophy fish and game, usually have a buddy take a pix of them or have a commercial photographer do the job.

Problem with many commercial photographers is that they usually don't have prints ready for a week, perhaps even longer, unless a premium fee is paid. Unfortunately, the news value of a picture lessens with the passage of each day.

The buddy-snapped photo, rushed to the corner drug store, can be back in your hands in 24 to 36 hours. This is not enough time loss to kill the news value of the picture. Even so, the photo may still be rejected.

Usually the reason for rejection is the matter of a photo lacking contrast, being out of focus, or being taken from too great a distance.

If you have a buddy take the picture, keep the following points in mind:

1. Have him move in close so that you and your trophy fill the view finder on the camera. Too much background and extraneous scenery only detract.

2. Have him focus the camera sharply. If the camera is a fixed-focus model, step off a distance of about nine or 10 feet and you will be in reasonably good focus.

3. Avoid cluttered backgrounds. Preferably use a cloudy sky or water.

4. Trophy catches and kills usually come once in a lifetime. Treat the occasion as such by keeping in mind that film is inexpensive. To be sure, shoot up the whole roll of film at different exposures. Better still, make it two rolls . . . at different distances, with different exposures (both lens openings and shutter speeds).

5. When you take the picture to the newspaper office, take the negatives, too. A good newspaper photographer often can do some "doctoring" in the darkroom and come up with a print that's excellent for publication.

the time the tow truck arrived.

Was this accidental? Yes, ruled a court, awarding double indemnity to the victim's family. The court said his conduct could fairly be judged only by what he knew at the time, not by the wisdom of hindsight.

HAD A PARTY? That's news, call the HERALD.

Mr. and Mrs. Daniel Schuette, Danna and Britt of San Angelo visited her parents, Mr. and Mrs. Bill Dominey over the weekend. Also visiting in the Dominey home was a son, Rodney Dominey of Lubbock.

Visiting in the home of Mrs. David Andrews and Joe over the weekend were her sons and their families, WO2 and Mrs. Eddie Andrews, Natalie and David of Abilene and Mr. and Mrs. D. C. Andrews and Kay of Everman.

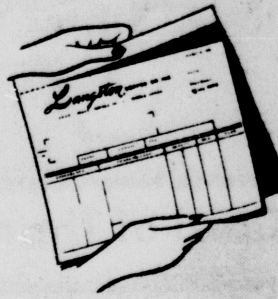

Texas has taken the first steps toward a \$12 million updating of law enforcement communications system.

House General Investigating Committee sent out questionnaires to state representatives asking information on stock scandals — and included questions on whether the press had been "biased" in reporting news.

Revenue from cigarette smoking jumped \$3.2 million — to \$18.9 million from June 1970 to June 1971.

## Double Indemnity

Harvey, the "other man" in a domestic triangle, heard some alarming news: the woman's husband had bought a gun and was spoiling for trouble. No coward, Harvey decided to confront his rival face-to-face.

It was a fatal mistake. Words led to bullets and Harvey was shot dead.

In due course, his relatives tried to collect on his \$10,000 life insurance policy. They claimed not only the \$10,000 but also an extra \$10,000 as "double indemnity," payable in case of accidental death.

However, a court denied the extra \$10,000, saying Harvey's death was not really an accident at all. The court said he was well aware, when he sought out the angry husband, that he had an excellent chance of being killed.

Double indemnity for accidental death is a common feature in life insurance policies. But it is not payable if the victim had recklessly courted danger.

This is true even if what he did was simply in the name of fun. Thus, double indemnity was denied to the family of a young man slain in a game of "William Tell." In a spirit of playfulness, he had allowed a friend to shoot at a tin can on top of his head.

"One who volunteers his head for such an experience," said the judge, "must anticipate injury." Suppose the act was dangerous, but the danger was not apparent at the time. Then, as a rule, the death would still be considered accidental. For example:

A motorist skidded into a ditch. While waiting for a tow truck, he ran the motor to keep his heater going. What he failed to realize was that the end of the exhaust pipe was trapped in a mud puddle, causing deadly carbon monoxide gas to seep into the car. Result: he was dead by

## McCaulley Baptist Church to Open Revival Sunday

The McCaulley Baptist Church will open revival services Sunday morning with services to run through Sunday, Aug. 1. Regular Sunday services will be held at 10 a.m. and 7 p.m. with weekday services at 8 p.m.

The Rev. T. O. Upshaw, Superintendent of Missions since January, 1970, will lead the services. Randy Wakefield, a student at Hardin-Simmons University will be in charge of the music.

The Rev. Upshaw, a native of Rotan, is a graduate of Hardin-Simmons University and Southwestern Baptist Theological Seminary and has pastored churches at Rotan, Lefors, and Pampa. Wakefield will graduate from H-SU this summer.

The Rev. Vergil Smith, pastor, has extended an invitation to everyone to attend the services.

Mrs. Valeta Hartley and Thomas visited in North Little Rock, Ark., with her brother, Wilson Crow and family. In Fayetteville, Ark., they visited Mr. and Mrs. Warren Tippin and family. Other places visited were Pea Ridge Battleground, Eureka Springs, Beaver Lake, Civil War Cave and Bella Vista Village. They also visited relatives in Aurora, Crane and Ava, Mo.

## Questions and Answers

**Q.** My 67-year-old husband recently had surgery for a slipped disc. He will soon be able to come home, but the doctor says he will need to use a wheelchair. Will Medicare help pay for a wheelchair?

**A.** Yes. The medical insurance part of Medicare does help pay for the rental or purchase of such durable medical equipment as a wheelchair when the equipment is prescribed by a doctor. Whether your husband decides to purchase or rent the equipment, Medicare generally makes monthly payments and these payments are 80 percent of the reasonable rental charges.

**Q.** My mother, who lives in another State, was hospitalized while visiting me. Will Medicare help pay for the ambulance service needed to take her over 100

miles back to her own home?

**A.** No. Your mother's medical insurance can only help pay for ambulance service within the locality normally served by the hospital.

**Q.** I have been getting monthly social security disability benefits for the past 2 years. A friend of mine has offered me a part-time job. I am not sure I could do this type of work, but I would like to try it. Would I lose my disability benefits if I take it?

**A.** No. Under the social security law, disability beneficiaries who work despite severe handicaps can continue to be paid their monthly benefits while they are testing their ability to work. However, if you should start to work, be sure to notify your social security office.

## Federal Emergency Drouth Help Guides Available Now

What kinds of federal assistance are available to farmers, ranchers, farm workers, small business men, and others hit by the severe drouth in parts of Texas, Oklahoma and New Mexico?

Answers, in general terms, have been consolidated in a 16-page pamphlet prepared in English and Spanish by the President's Interagency Drouth Help Available, with separate versions for each state.

Copies of the pamphlet are available at county offices that handle U.S. Department of Agriculture drouth assistance programs and information, including County Extension Agent, Agricultural Stabilization and Conservation Service (ASCS), Farmers Home Administration (FHA), and Soil Conservation Service (SCS). State and regional of-

fices of Small Business Administration, Internal Revenue Service and Department of Labor also have copies for individuals who ask for it.

"Information on federal assistance in the pamphlet has to be general because all programs are not effective in all counties of the state," points out George Hastings, chairman of the Interagency Drouth Committee.

Specific types of assistance have to be requested, county by county, depending on need, Hastings said.

## Foursquare Church To Open Children's Revival Sunday

The Foursquare Church will begin a Children's Revival Sunday morning that will continue through Thursday under the direction of Rev. and Mrs. Mike Burnett of Arlington. He is youth director and Mrs. Burnett is children's director of South Central District Foursquare Churches.

## No service is planned Sunday

evening because of the closing service of the area-wide revival.

Services will be at 7:30 p.m. Monday through Thursday.

"Mrs. Burnett is doing an outstanding work with the children throughout our district," says the local pastor, Rev. Carl Pool.

Children all ages have a special invitation to attend.

Rev. Pool urges the parents to cooperate in this special revival.

# County Officials Make Plans to Operate Jury Wheel

Jones County is making plans to put into operation a jury wheel to select venire for both district and county court juries, a check at the courthouse Monday revealed.

A law adopted by the Texas Legislature this year repeals all laws regulating the formulation of jury commissions. This county had picked venires from a list of prospects selected by a jury commission.

W. L. (Poochey) McDonald, district clerk, said Judge J. Neil Daniel said in Anson Thursday that no cases will be tried in his court after August unless juries are selected by the jury wheel.

Although the bill did not set out to eliminate jury commissions anywhere except in counties having population of 10,000 or more, Atty. Gen. Crawford Martin issued a legal opinion July 14 in which he held that all counties must comply with the new law because all laws pertaining to jury commissions had been wiped off the books.

Jones County has a population of 16,106.

The law sets out that the sheriff, district clerk, county

clerk and tax collector shall get together sometime each year between August 1 and 15 and prepare the wheel.

In this wheel, which will be somewhat like those in use for

community drawings, will be placed the names of all qualified voters in the county, including those who are between the ages of 18 and 21.

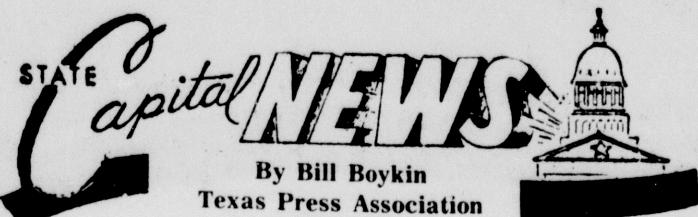

Unlike the usual container for

drawings, the jury wheel must be of solid exterior and must have two locks with the sheriff having one key and the district clerk the other.

Cards placed in the wheel are to be of uniform size and color. The wheel is to be turned so that the cards are thoroughly mixed before the venire is selected.

After the cards are selected, the jury list is prepared and the prospective jurors are notified as in the past.

Those who are exempt from serving on juries have been greatly reduced by the law.

AUSTIN, — Back-to-school time isn't too far off for more than two million young Texans, and State Board of Education has approved a record \$302.4 million statewide available school fund allotment.

Board set \$121.90 as the state allocation for each pupil in public schools this year. Figure is based on the average daily attendance during 1970-71, or 2,479,400, although actual enrollment was over 2.7 million.

Local school districts may use their allocation to help pay annual operating expenses, including teacher salaries. Available school fund draws investment earnings from the \$835 million permanent school fund.

In other preparations for the upcoming school year, Board of Education also:

Approved an \$887,500 contract with Southwest Educational Development Laboratory for a bilingual teaching program tailored for four-year-old children of Mexican-American farm workers. Ten bilingual specialists will work with 100 youngsters in McAllen and Hereford to develop an experimental project next school year and field test it in 1972-73.

Approved a new accreditation plan to provide computer data to warn of developing weak points in school systems. Data will provide scientific analysis of information needed to decide which schools should be visited by accreditation teams. Such teams visit about 200 of more than 1,100 Texas school districts each year.

Entered an agreement to link Texas Education Agency and U.S. Office of Education in a \$1.8 million program to evaluate new special education pilot projects expected to have national impact on the teaching of handicapped children.

Allocated \$23.2 million to buy new textbooks.

DISEASE SPREADS — A sleeping sickness-like disease

spread among horses (and in a few humans) in the South Texas-Rio Grande Valley area.

U.S. Agriculture Department which originally had scheduled an experimental vaccine against Venezuelan Equine Encephalomyelitis in 13 counties, later released it statewide and slapped an embargo on Texas horses.

Later a state animal Health Commission order halted movement within state or out of state of horses not vaccinated at least 14 days earlier.

Several persons were hospitalized in Brownsville with VEE symptoms. Cases in horses increased sharply, though laboratory confirmation lagged behind discovery of symptoms.

Disease, described as "flu-like" among humans, is deadly to horses, and concern was expressed for the equine population. Emergency situation stopped all rodeos, horse shows, race meets and other activities involving horses.

TEXTBOOKS AVAILABLE FOR REVIEW — Textbooks considered for 1972-73 school adoption can be looked over by interested citizens at 20 regional education service centers over the state.

Texas Education Agency, the largest single buyer of textbooks in the world, has \$23.2 million available for the next school year. New books cost an average \$8.10 for each of 2.7 million pupils. Proposed new textbooks can be reviewed at Edinburg, Corpus Christi, Victoria, Houston, Beaumont, Huntsville, Kilgore, Mount Pleasant, Wichita Falls, Richardson, Fort Worth, Waco, Austin, Abilene, San Angelo, Amarillo, Lubbock, Midland, El Paso and San Antonio education service centers.

1.5 MILLION NEW VOTERS?

— Texas may have 1.5 million new voters in 1972 largely as a result of 18-21-year-olds becoming eligible for all elections, according to a state senator's forecast.

New law goes into effect September 1 which permits registration of a Texas voter for a three year period instead of annually as at present. Registration will also be open year-around except for a 30-day cutoff before any election.

Dallas Sen. Mike McCool, author of the new registration law, sees youngsters as accounting for a large part of the 1.5 million increase in eligibility rolls and predicts they will vote as well as any age group.

PASS BIDS IN — A low bid of \$1.4 million on the long-delayed second phase construction of a water exchange pass across Mustang Island apparently was submitted by Brown and Root Construction Inc. of Houston.

PASS BIDS IN — A low bid of \$1.4 million on the long-delayed second phase construction of a water exchange pass across Mustang Island apparently was submitted by Brown and Root Construction Inc. of Houston.

Brown and Root bid, including construction of a two-lane bridge across a 100-foot wide channel on Park Road 53, was the lowest of five opened last week by Parks and Wildlife Department. Bids were studied before a recommendation on letting the contract.

HUNTERS IRED — A state proposal to turn Canadian River bottom into a wildlife refuge stirred protests of hunters from the Panhandle at a hearing here.

Panhandle hunters wanted no part of the Parks and Wildlife Commission's closing state-owned river beds, streams and railroad rights of way to public hunting.

## Farmers Union Members to Honor President At Anson

Texas Farmers Union state President Jay Naman of Waco announced today that he will attend a get-acquainted reception on July 30 from 8:00 a.m. to 9:15 a.m. at the 66 Sirlin Cafe in Anson. Those accompanying the state farm leader during his visit are Joe Rankin of Ralls, state vice president, Foy Mitchell of Roby, district director, and Kenneth Moss, state director of organization.

All farmers and ranchers in Jones County are invited. New Farmers Union members will be honored at this reception and are particularly urged to attend. Mr. Naman states that agricultural and business leaders in the community are welcomed to attend, as issues of vital interest to the community will be discussed.

John Scarborough of Hamlin requests that all members take advantage of the opportunity to acquaint their state Farmers Union leadership with local problems. New members of Jones County Farmers Union should make a special effort to attend, Mr. Scarborough said.

several others were questioned a second time by Securities and Exchange Commission in its stock probe.

Major Texas crude oil buyers recommended to the Railroad Commission a 30,344 barrel-daily decrease in production next month.

Under a new law motor boat owners must provide Coast Guard-approved life preservers for children 12 years old or under.

Traffic accidents killed 1653 Texans this year, compared with 1621 in 1970.

Hearing is set August 24 on request of Clear Lake Savings Association for a branch office charter in Houston.

Only those persons over 65 years of age and women who have legal custody of a child or children under the age of 10 years are now exempt. The law specifically eliminates any consideration of economic factors.

Judges in the past have been known to excuse a juror if he is busy putting in or gathering his

crop. Presumably this will no longer be permitted.

A big question still to be answered, either by Atty. Gen. Martin or the courts is that concerning 18-year-olds. What must be done with the card of a voter 18 year old? Texas constitution permits only those 21-years of age or over to serve on juries.

## Trial Set Sept. 7 In Anson Court for Billy Joe Jeffery

A Hamlin man, Billy Joe Jeffery, under indictment for rape and "burglary of a private residence at night with intent to commit rape" in connection with a June 5 assault on a Hamlin woman, will be tried in 104th District court at Anson Sept. 7.

Judge J. Neil Daniel set the date Thursday, July 8. Asst. Criminal District Attorney Britt Thurman filed notice that the state will seek the death penalty for Jeffery. The Hamlin man has been held in county jail without bond since his arrest.

Judge Daniel has appointed two Abilene attorneys, Randy Wilson and John Hutchinson III to represent Jeffery.

U.S. Sen. Lloyd Bentsen shies away from talk about his being a favorite son presidential candidate in 1972 and stresses need for Texas Democratic party harmony.
